Inc. Magazine names ATRIA Consulting, LLC one of its 2019 Fastest-Growing Private Companies in the US on the 2019 Inc. 5000 List

ATRIA Consulting, LLC Ranks No. 3689 on the 2019 Inc. 5000 With Three-Year Revenue Growth of 94% Percent

New Jersey, August 14, 2019 – ATRIA Consulting, LLC, a leading provider of permanent and consulting staffing services, has been named as one of the fastest-growing private companies in the U.S. on the 2019 Inc. 5000 list. *Inc.* magazine today revealed that ATRIA Consulting, LLC is No. 3689 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"We are thrilled to be recognized as one of the fastest-growing companies in America. Making the Inc. 5000 is an achievement that we take tremendous pride in," said Melissa Bordman, ATRIA Consulting's Founder and Managing Member. "Our company continues to grow and maintain our standing as a leader in the Staffing Services and Human Resources industry. The recognition that ATRIA Consulting, LLC has received from Inc. 5000 is a testament to all of the employees who work tirelessly to support our business. ATRIA Consulting's internal team and external consulting staff work together each day to achieve our goal of delivering best-in-class results for our clients."

Not only have the companies on the 2019 Inc. 5000 (which are listed online at Inc.com, with the top 500 companies featured in the September issue of *Inc.*, available on newsstands August 20) been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists. The 2019 Inc. 5000 achieved an astounding three-year average growth of 454 percent, and a median rate of 157 percent. The Inc. 5000's aggregate revenue was \$237.7 billion in 2018, accounting for 1,216,308 jobs over the past three years.

"The companies on this year's Inc. 5000 have followed so many different paths to success," says *Inc.* editor in chief James Ledbetter. "There's no single course you can follow or investment you can take that will guarantee this kind of spectacular growth. But what they have in common is persistence and seizing opportunities."

More about the *Inc.* & Inc. 5000

Methodology

The 2019 Inc. 5000 is ranked according to percentage revenue growth when comparing 2015 and 2018. To qualify, companies must have been founded and generating revenue by March 31, 2015. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2018. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2015 is \$100,000; the minimum for 2018 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in *Inc.*'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
